

If you are lucky, you might even see a lion!

**WOW!**  
facts

The roar of a lion can be heard up to five miles away.

### Spotlighting

If you shine your torch at the waterhole at night you might see pairs of eyes glowing back at you.

Animals who come to the waterhole at night are good at seeing in the dark.

Their eyes are very shiny and reflect your torchlight.

This is called eyeshine.
