

As Neil Armstrong stepped down from the lunar module he said:

“That’s one small step for a man; one giant leap for mankind.”

These words are possibly the most famous words ever spoken.

Armstrong and another astronaut called Buzz Aldrin were on the moon for two and a half hours.

They planted an American flag and collected moon rock. But the most important thing about the moon landing was that it proved it was possible.

WOW!
facts

Neil Armstrong’s spacesuit cost \$100,000. That’s nearly £400,000 in today’s money.
