A Party

“Is this Holly’s house?”

“I think so. I’ll text her and check.”

“No need!” Lexie said. “I can hear the music.”

The girls went inside. The party was in full swing. “There’s Callum,” Saira said. “He likes you.”

“Well, I don’t like him!” Lexie said.

“You are harsh!” Saira said. “Look, he’s smiling at you.”

Lexie smiled. But she wasn't smiling at Callum. She had just seen the best looking boy on the planet. Who was he? "Who's that?" She asked Saira.

"Dunno. Better ask Holly," Saira said.
"Let's get a drink first."
