

## Rahib Sees All

Nelson had been hiding Rahib's things all week. On Monday he hid his bag. On Tuesday he hid his lunch. On Wednesday he hid his homework book. On Thursday he hid his pencil case.

At break time on Friday, Nelson said to Rahib, "I bet you can't guess what I'm going to hide today."

"Sure can," said Rahib. "My hat."

"Am not."

"Are too."

"Am not."

"Yes, you are," replied Rahib. "My uncle came over last night and showed me how to read minds."

"Yeah, right," snorted Nelson.
