

Suddenly, the stranger jumped up.

He threw off his cloak and Emily saw that he was standing on a small cannon!

He had a long, bushy beard, a patch over one eye and a hook for a hand.

Emily gasped. The man was a real pirate!

# BOOM!

A cannonball shot out of the cannon.

It smashed through the rods that held the ship in place.

The pirate ship rocketed away from Adventure Park and out towards the sea.

With a huge SPLASH! it landed on the water.

“What did you do that for?” Frank squeaked from inside Jacob’s jacket.

The pirate stomped over to them.

Emily noticed that he didn’t just have one peg leg. This pirate had two!
