

## SCENE ONE

# THE MESSAGE FROM THE TOWER

**Narrator:** Our heroes are walking through the forest when they spot a mysterious scroll on the ground.

**Tom Thumb:** It says, “Help, I am being held captive in the East Plains tower. If you rescue me, I’ll give you the greatest reward of all.”

**Jack:** What do you think?

**Tom Thumb:** I reckon it’s a scam. We’ll turn up and find a bunch of orcs waiting to rob us.
