

## Chapter 2 - Stab in the Back

Lance sat in the school dining room with Jade and Suzie, the singers in his band, Elite. The two girls laughed a lot and talked in loud voices, but their eyes were cold. Lance didn't see this. He was too busy thinking how funny his jokes were.

His mobile beeped. It was a text from Zak:

TELL THE REST, FORGET IT. WE'LL WIN. NO PROBS.
---

Lance showed the message to the girls. They grinned.

“Hey, we’ve got a new keyboard player,” said Lance.

“Who?” asked Jade.

“Jools.”
