

CHAPTER 2

Fire in the Sky

Winter came and it was hard to find food. They were hungry.

Their Mum was gone for hours trying to find food. Hero's brothers and sisters got bored. They decided to try and find their own. Hero was left alone.

Suddenly a terrible noise filled Hero's ears. The sky was full of thunder and flames. He tried to run but the noise was everywhere. BOOM! BOOM!

He ran and ran. He ran until his paws hurt and he couldn't breathe. BOOM!

The noise got louder and fire lit up the sky. Smoke filled the air and the ground shook. BOOM! BOOM!

Hero saw a place to hide. He was shaking with fear.

Slowly the noise died away.

Hero wasn't alone. There was someone else. It was a human. A boy. But the boy didn't shout at Hero.
