

CHAPTER 3

Library

The next day, Carl and Keesha's Mum gave them a lift into the town.

She went to buy some food.

They went to the library.

They found lots of books about the local area and the mine.

“Hey, look at this!” said Keesha, holding up a very old book. “It says that an escape tunnel was dug when the mine was first opened.”

“But that was over a hundred years ago,” replied Carl, looking at the map in the book.

But they didn't have much time to look because their Mum appeared.

“Don't tell her about this,” whispered Keesha.
