

Chapter 2

Pirates!

The Wolmump looked like a cross between a camel and a whale and was the size of a baby elephant.

It wagged its curly tail at Jack.

“It likes you,” said Wanda. “Love at first sight.”

“I get that a lot,” said Jack.

Wanda rolled her eyes.

“How long do we have to look after this thing?” said Jack.

The Wolmump didn’t like being called a ‘thing’. It trod on Jack’s foot.

“Ow!” he yelled.

“Her name is Gnt,” said Wanda, grinning, “and we only have to look after her for today.”

“No problem,” said Jack, rubbing his foot.
