

→3 You are in a room with a chest full of jewels and you fill your bag with as many as you can carry. But was this a good choice? You are still in the valley! Leave the temple and **go to 39**.

→4 Here there is an old, overgrown road going west and east. A path goes north to the river. Which will you choose?

North to the river? **Go to 38**  
East along the old road? **Go to 12**  
West along the old road? **Go to 11**

→5 The path splits again.  
Which way this time?

South towards the sound of rushing water? **Go to 17**  
North through a troop of chattering monkeys? **Go to 31**  
East along a path over a grassy plain? **Go to 34**
